Footpath Challenge

An illustration of a winding white footpath through a green landscape. The path starts on the left, curves to the right, and then curves back to the left. There are several green trees of varying sizes along the path. The background is a light blue sky with a few white clouds. The bottom of the illustration is a solid yellow band.

**Ever built a footpath? No, well come and join in and help us build one!
Tools and training are provided, all you need
to bring is your enthusiasm!***
